DELL Technologies

DELL DUAL MONITOR STAND | MDS19

# Optimize your desk space. Set up without tools#.

## MORE SPACE BETTER VIEW

The Dell Dual Monitor Stand – MDS19 optimizes desk space with 30% less footprint than its predecessor.* Mount up to two 27-inch monitors and enjoy an improved viewing distance.

## CLUTTER-FREE WORKSTATION

Impressive cable management features let you hide cables from view. Route cables through the round cable slot, channel them within the stand and keep them neatly intact with cable clips along the curved crossbar.

## FLEXIBLE ADJUSTMENTS

Adjust both monitors independently to your ideal height and viewing angle. Raise each panel up to 5 inches (130 mm) and pivot 90° in any direction for a portrait view.

## SIMPLY TOOL FREE

Enjoy the simplest installation on a dual monitor stand.** Easily snap the monitor panel into place onto the only dual monitor stand with tool-less monitor installation#.

# Features & Technical Specifications

Allows each Dell monitor panel to be adjusted independently

Curved cross bar — 2 cable clips on each side keep the monitor cables neatly routed along the bar, hiding them from view
